The fifth

# Students Symposium on Engineering Application of Mechanics

## SSENAM'S

Ghardaia, November 22-23, 2019

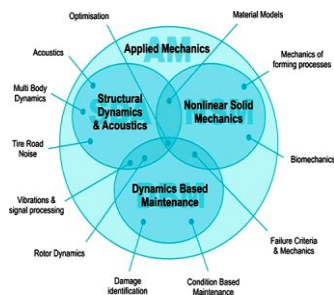

in Collaboration with the

### CAM2019

Congrès Algérien de Mécanique  
24-27 novembre 2019, Ghardaia- Algérie

## Call for Papers

First Announcement

### Supported by

University of Ghardaia  
Algeria

University Mustapha Stambouli,  
Mascara, Algeria

University Hassiba Benbouali  
Chlef, Algeria

University Houari Boumediene for  
Sciences and Technology, Algiers,  
Algeria

University Tahri Mohammed,  
Bechar, Algeria

### Organized by

Laboratory of Quantum Material Physics and Mathematical Modeling  
University Mustapha Stambouli of Mascara, Algeria.

Laboratory of Control, testing, Measurement and Simulation in Mechanics. University  
Hassiba Benbouali of Chlef, Algeria

Laboratory for Theoretical Physics and Materials Physics.  
University Hassiba Benbouali of Chlef, Algeria

Laboratory for Advanced Mechanics, LMA  
University Sciences and Technology Houari Boumediene, Algiers, Algeria

### Gold Sponsoring

Yamani Institute of Technology  
<https://www.yamani-institute.com>

### Objectives of SSENAM'S

After the very good successful event in the fourth conference SSENAM'4 in Bechar University. The objective of the Fifth Students Symposium on Engineering Application of Mechanics, "SSENAM'5" will be focus on the "Engineering and Applied Fracture Mechanics and Environment" and destined directly on the PhD student evolution. The SSENAM'5 will be held in the Campus of Ghardaia university, on the 22-23 November 2019 with the collaboration of the Hassiba Benbouali University of Chlef and Houari Boumediene University of Sciences and Technology in Algiers. Co-organized by the Laboratory of Quantum Material Physics and Mathematical Modeling on the Mascara University, the Laboratory of "Control Laboratory, testing, Measurement and Simulation in Mechanics". The aims of the fifth Symposium will be to discuss the present status of the Applied mechanics based constitutive simulation, Rheology and modelling of materials and associated experimental observations methods. It's also an opportunity for scientists and engineers from Algerians Master, PhD Students from the three universities to discuss research activities that could be a basis for future collaborations. The 5th event will be in collaboration with the "Algerian Congress of Mechanics", CAM2019. Nature & Technology will be the supporting journal of the Symposium where all reviewed and accepted conference papers will be published in special issue "Engineering Applied Fracture Mechanics and Environment".

### Organizing Committee

Aid Abdelkrim	Univ Mustapha Stambouli, Mascara, Algeria
Kheilil Ali	Univ Hassiba benbouali of Chlef, Algeria
Hadj Meliani Mohammed	Univ Hassiba benbouali of Chlef, Algeria
Boukharouba Taoufik	Univ Science and Technology, Algiers, Algeria

### Registration fee

Registration Fees are 15000 DA, payable in advance of the conference, includes: Access to the Conference sessions, Poster area and Workshops, all conference documents and certificate of attendance, lunch, dinner and mid-session refreshments as scheduled in the Conference program. **It's noted that the registration free cover also a possibility to present a Poster paper on the CAM2019 Conference.**

### Key dates

Deadline for abstract submission, October, 5, 2019

Notification of abstract acceptance, October 20, 2019

The official language of the SSENAM'5 meeting is French, English or Arabic. The organizing committee prefer that the invited talks and contributions be done in English.

### Contact

e-mail: [ssenam5@yahoo.com](mailto:ssenam5@yahoo.com)

Tél: (+213) 27 72 17 94

Mobile: (+213) 7 76625985/ (+213) 696623262

### Abstract Submission

Participants, who would like to make an oral presentation at the SSENAM'5 must submit an abstract for the consideration and approval of the Program Committee. All abstracts must be written, according to the Abstract Template, in English and submitted by e-mail, in format word at e-mail: [ssenam5@yahoo.com](mailto:ssenam5@yahoo.com)
